

Declaration on content of SVHC in articles

Dear Valued Customer,

DENCOP as a distributor of the articles hereby confirms that the article:

Composite Panel ACP Bond

does not contain any substances of very high concern (SVHC) defined according to the EU Regulation No. 1907/2006 (REACH) as listed on the Candidate List dated January 17, 2023 in concentration exceeding 0.1% (w/w).

This declaration is based on the results of testing and analyses of all SVHCs content provided by the article manufacturer. DENCOP does not perform any own testing of article material and does not add any chemical substance to the article.

Information included in this declaration is believed to be accurate and was prepared with all responsible care. Declaration is intended to be used solely by the customer. It is not intended for further provision to other parties without explicit consent of DENCOP.

In the case any SVHC will be contained in the article (i.e. change in composition, Candidate List update) above the reporting threshold concentration we will inform you immediately.

On behalf of DENCOP
